## > BIO OF DIRECTOR

### **Carlotta Napolitano** (Nápoles 1987)

Graduated in Anthropology at the University "La Sapienza" of Rome. She has studied Cinematographic Direction and Digital Setting, devoting specially to Photography. In 2012 she finished a narrative visual project called "Poesie d'amore (o della pietra)" realized in Mali, that has concluded in an installation and in the publication of a book. In 2015 she studies the master's degree in Theory and Practice in Creative Documentary at the Autonomous University of Barcelona (UAB). There she made the documentary short film *Orchid's head*, screened as a world premiere in Visions du Réel 2016, and awarded with Best Direction\_SGAE Nova Autoria in Sitges International Film Festival 2016. In 2018 finished her second shortfilm *Anábasis*, awarded in Indie Short Fest L.A. Best drama short & Best foreign language. Now she works in Barcelona as a director/editor in several commercial works, music videos and documentary films.
